

DIRECTOR'S BOX

Available for 2-6 guests

YOUR OWN EXCLUSIVE, PRIVATE ROOM FOR A UNIQUE
AND SPECIAL NIGHT AT THE THEATRE.

ROOM INFORMATION

30 MIN BEFORE SHOW & INTERVAL

Experience the theatre the way the stars do, indulging in the elegance of the Director's Box pre-show and interval. Skip the queues with your own private facilities and bar service.

Designed for ultimate enjoyment and luxury, the Director's Box is the perfect way to romance your partner, treat your family and friends, or just relax and enjoy the show in style.

Greeted at the bar by your host when you arrive 30 minutes prior to the show, we'll whisk you away straight to the Director's Box, where you will have exclusive access until the curtain rises on the performance, returning again at interval to escape the busy foyers.

Due to its location inside the Auditorium, please note that the Director's Box is only available to patrons seated in the Dress Circle level. Please ensure your pre-purchased seats are situated in the Dress Circle or contact us at the theatre to discuss your options.
